From the Toledo Commercial. The Last Card of the Copperhead Chief-He Openly Inches his Adherents to Civil War.

In another column, we publish the nost conclusive evidence that, from the start, Vallandigham has been particeps criminis in the rebellion. Below his adherents at Carthage, Ohio, in rageous perversion, he seeks to make the late proclamation of the President a pretext for civil war in Ohio. For that the followers of Vallandigham will generally act upon his advice, by coming to the polls with arms and or-

In this emergency, but one course remains for the authorities, and that is to make immediate and ample preparations for any contingency. The trai tors of the South gave the Government no more notice of their intended trea son than is now given by the chief of

the Copperheads. Now that we are formally advised, not a moment should be lost. Vallandigham knows well that there is no intention of interference with the right Missing-David Williamson, Henry of voting, and that none will be permitted by the regular authorities; and yet he calls upon persons, having no official authority, to take the law into A their own hands in resistance of the officers. Thank God, the serpent gives its warning before it strikes. This, then, is to be the finale of the mysterious threats of civil war, threats which, we may say here, constituted undoubtedly, one of the reasons of the Presi-Sylvester Rader, slightly; returned dent's late Proclamation, and which certainly justify it as a measure of wise and timely precaution. Let the State and National authorities but act with energy and firmness until the cris's A. J.
